

Level of Funding Support

This fund supports up to 50% of a realistic budget.² Our supportable costs and funding varies by applicant type as shown in the table below:

| | |
|--|---|
| <p>Chinese opera ORGANISATION</p> <p><i>(All subsidiaries or sub-units of an organisation will be considered as a single applicant)</i></p> | <p>Support up to 50% of Training Cost/ Research & Development Project</p> <p>Capped at \$20,000 per financial year</p> |
| <p>INDIVIDUAL</p> | <p>Support up to 50% of Research & Development Project/ content creation</p> <p>Capped at \$10,000 per financial year</p> |

2 The first step in preparing a good budget is to identify your project's needs and understand how much they would cost. We encourage you to work out a realistic budget that demonstrates your understanding of costs and needs. An unrealistic, over-inflated budget will not necessarily guarantee more funding, and may have the counter-productive effect of casting doubt on the soundness of your overall proposal.
